# FAST FACTS

**AHN GROVE CITY**

**AHN doctors and clinical specialists work in multidisciplinary teams to provide personalized, comprehensive care for each patient — and access to clinical trials for the newest therapies.**

### **CANCER INSTITUTE**

We treat many types of cancer with the latest advancements in surgery, radiation, chemotherapy, biologic therapy, immunotherapy, genomics, and pathology testing. We continue to adopt new technologies to improve results.

- Personalized treatment precisely targets tumors and preserves healthy tissue.
- Nurse navigators help cancer patients coordinate tests and treatment.
- Collaboration with Johns Hopkins Kimmel Cancer Center advances care and gives streamlined and guided access to clinical trials and second opinions.

### **CARDIOVASCULAR INSTITUTE**

We keep hearts beating using multimodality imaging and treatment with new medicines, advanced hybrid procedures, and implantable devices to fight heart, thoracic, and vascular disease.

- Patients benefit from cardiac education, screenings, prevention, and rehabilitation.

### **EMERGENCY MEDICINE INSTITUTE**

We offer critical 24/7 access to highly skilled emergency care, coordinating with EMS and emergency transport through our Prehospital Care Service team.

- LifeFlight helicopters provide lifesaving care and fast patient transport.
- We are accredited as a Level IV Trauma Center.
- Our virtual ICU program provides continuous critical care monitoring and response through Mercy Virtual in each ICU patient room.

### **PRIMARY CARE INSTITUTE**

More than 300 AHN primary care physicians across 120 locations provide preventive care and condition management, and coordinate care with specialists to keep their patients healthier.

- To remove obstacles and improve access to care, we offer same-day appointments, video visits, and online scheduling.

### **ORTHOPAEDIC INSTITUTE**

Our high-quality orthopaedic and sports medicine care treats injuries and complex musculoskeletal conditions to help patients regain mobility and health.

- Fellowship-trained sports medicine specialists help athletes overcome injuries and return to the game.
- New therapies for comprehensive, coordinated concussion care offer patients focused treatment plans so they can get back to everyday activities.
- Patients can stay close to home for total joint replacements of the hip and knees, as well as hand and upper extremity surgery.
- We are one of the few facilities in western Pennsylvania to offer advanced scoliosis therapy by certified Schroth Method therapists.

# Personal care, close to home

AHN Grove City was founded in 1978, after two older hospitals merged in order to keep health care viable within the community. We value personal connections with our patients while still pioneering new medical services. AHN Grove City is noted for earning high marks in patient satisfaction.
